Your right to keep and bear arms, protected by the Second Amendment to the Constitution, is under near continuous assault from those who seek to subjugate and tyrannize the American people. But as James Madison, the “Father of the Constitution,” warned, a tyrannical government can only succeed “with a standing army, an enslaved press, and a disarmed population.”

Join filmmaker Zoe Warren as he explores the Second Amendment and explains with expert guests and insightful analysis the continuing central importance of the 2A Today. Brought to you exclusively by The New American Magazine, the only publication in the world dedicated to the proposition “That Freedom Shall Not Perish.”
