Four people were killed, while nine others were injured, in a mass shooting at a North Georgia high school. As expected, Joe Biden and Kamala Harris exploited the situation and called for gun control. Meanwhile, it turns out the FBI and CDC have been suppressing data about the number of times good guys with guns have stopped mass shootings. Alex Newman and Joe Wolverton join us to discuss the real cause of shootings, the real data on good guys with guns, and possible solutions to these tragedies.
