The U.S. [Department of State press statement](#) by Blinken notes President Biden wants the United States to work toward ending conversion therapy globally, stating, “last year, President Biden directed the U.S. government to promote an end to so-called ‘conversion therapy practices’ around the world. Conversion therapy is a scientifically discredited practice that can cause significant physical and psychiatric harm, and in certain circumstances may amount to torture.”

The UN Population Fund (UNFPA) released a [statement today calling for integration](#): “In honor of the international day, UNFPA is calling for the integration of LGBTQI+ rights and sexual and reproductive health and rights in global humanitarian and climate-resilience policies.”

The World Health Organization (WHO) [classified homosexuality as a mental handicap](#) between 1948 and 1990. The the International day commemorates the anniversary of the WHO declaring “homosexuality is not a disease, a disturbance or a perversion” on May 17, 1990.
