Border Crisis Escalates as Illegals Thank Joe Biden

In more discouraging news from our nation's southern border, Fox reporter Bill Melugin posted video on X yesterday showing large groups of illegal aliens slipping through a breach in the border wall.

NEW: Our cameras were rolling in Lukeville, AZ as groups of illegal immigrants rushed through a breach in the border wall as Border Patrol & federal contractors were trying to fix it. Their human smuggler then shrugs at our cameras & salutes us. Cuts/breaches all over wall here.

The horde included men, women, and children. After the last of them passed through the opening, their masked human smuggler looked directly at Melugin's camera, shrugged, and mockingly saluted.

This occurred Tuesday at Lukeville, Arizona, where illegals cross in droves on a daily basis, the reporter says.

In a live shot aired yesterday on Fox News from the same location, cameras showed a seemingly endless stream of aliens, and Melugin noted that all of them were young men.

"Thousands of single adult men — from Senegal, Guinea, Mauritania, and Egypt, along with countries in the Middle East and Asia — are illegally crossing the southern border every single day," he posted.

"This is the reality of Biden's border crisis."

"This is Border Patrol's Tucson, Arizona, sector, which just had 17,500 illegal crossings last week alone — that is the highest weekly total ever recorded," said Melugin.

He interviewed two African men who had just arrived and admitted they are not seeking asylum. One of them bowed toward the camera with a broad smile, saying: "I love you, Joe Biden! Thank you for

I talked to two African men who crossed illegally into Lukeville, AZ (Morocco & Liberia). Both admitted to me they are not seeking asylum, & instead want work and opportunity in US. Both are planning to go to NYC. pic.twitter.com/IK8fcY3qvB

Last week in Lukeville, Ali Bradley captured similar video, which shows the disdain the illegal aliens hold for U.S. Border Patrol agents and illustrates how boldly they break through barriers put up to keep them out.
