In this interview, *The New American's* Christian Gomez discusses Congressman Tom Tiffany's (R-Wis.) commitment to constitutional principles — reflected in his impressive [96-percent lifetime score](#) in the "Freedom Index" and [100-percent rating](#) in the *Congressional Scorecard*. Congressman Tiffany delves into his legislative efforts to restore American sovereignty through his joint resolution (H. J. Res. 93) to withdraw the United States from the World Trade Organization. He explains why globalist institutions like the WTO and the United Nations undermine American independence, the steps Congress can take to exit these globalist bodies, and why he introduced an amendment to defund the UN. Tiffany also addresses growing national-debt concerns surrounding the One Big Beautiful Bill Act; offers insight on what Republicans must do to uphold fiscal responsibility; and weighs in on Wisconsin Governor Tony Evers' record and potential run for governor.
