Get US Out of the UN Goes Mainstream

For many decades, The John Birch Society has been a lone voice warning about the United Nations' agenda to usurp the national sovereignty of all nations and, ultimately, create a one-world government. For that reason, the JBS began pushing its *Get US Out!* action campaign in the 1960s — and has never stopped. Last week, multiple voices expressed displeasure with the UN, including a prime-time Fox News host, the country of Israel, and one of the most constitutionally obedient congressional lawmakers. In this segment taken from the Oct. 26 episode of *The New American Daily*, host Paul Dragu and co-hosts Gary Benoit and Peter Rykowski discuss why it's so important for the US to kick the UN out!
