Labour Party Kills Inquiry Into Muslim Rape Gangs

The Labour Party-controlled British Parliament voted against an inquiry into the government's handling of the Muslim rape-gang scandal, and more shocking news reports have surfaced.

Cops told fathers of rape victims to forget the rapes or else, two fathers say. And cops warned Rotherham victim Sammy Woodhouse to stop posting about the issue on X.

Meanwhile, DailyMail.com revealed, half the members of the infamous Rotherham rape gang are free, and more are set to be released.

No Inquiry

“Unbelievable,” X tycoon Elon Musk wrote over video of the vote killing an inquiry in the rape scandal.

The vote was 346-111, with only Conservative and Reform party members of Parliament voting for it.

The Labour Party, which invited the mass Islamic immigration to England to alter the demography of the country and permitted Pakistani and other Muslims the chance to mass-rape English white girls, voted the bill down. The immigration was, a [Labour Party operative said](#), a means to “to rub the Right’s nose in diversity.”

Labour Party leader Keir Starmer and his entire Cabinet opposed the inquiry.

Arrested Twice

The vote to deep-six the probe into the scandal — and how police permitted it to go on — came as more reports of police abuse surfaced online.

One distraught father [told GB News' Charlie Peters](#) about his attempt to crash a rape den and save his daughter. Cops protected the Muslim rapists.

Police pulled him out of the den and arrested him, and warned him not to go back.

"I was arrested outside, put in a police car, taken away," he said. Cops warned him that he would be arrested again if he returned to save his daughter. The father ignored the insane command.

"They arrested me a second time, took me down to the police station," and about an hour to 90 minutes later, took him outside. "Go on," the cops said, "because if you go back to that flat, we're going to arrest you for stalking ... the occupants of that house."

John in Lancashire says his daughter was gang raped by Pakistani groomers in Oldham when only 13-years-old.

"I phoned the police, a police constable told me to let it go, otherwise I'll get arrested for being racist."

Stalked for Reporting Rapes

A second shocking video features a distraught Lancashire father's call into a talk show. "My daughter was gang-raped by Pakistani Muslims from Oldham" he said, who "drove 18 miles to my town to get to my daughter."

The Muslims had been raping the girl for weeks, the father said. He didn't know because he worked 100 hours a week to keep his kids in private school. He continued:

I phoned the police up. A police constable ... told me to let it go, otherwise I would get arrested for being racist. [Police said my daughter] could pick any boyfriend she wanted. She was 13 years old, and he was 20.

Worse still, a gang of Muslims stalked the father to punish him for reporting the rapes. A friend called the father at work. "'Don't come into town,' he said, 'there's a huge gang of Muslims looking for you.'"

The friend said "we can tackle this later," and "I did what any dad would do." The host didn't let the

father elaborate for fear the man would be prosecuted.

The daughter, now about 30, “still has the memories,” the father said.

“Every MP should be grilled by the [Special Air Service] because they’ve known all along what’s been going on and they buried it,” he continued.

Demanding Silence

And yet, police still want the scandal and their complicity covered up.

“How long do you think it will be before the police start ringing round asking us to delete our posts that are exposing what has been happening in our country?” Rotherham victim Sammy Woodhouse posted to X yesterday.

Next she delivered this news:

I’ve received a phone call from South Yorkshire Police tonight about my reporting on X.

They’ve asked me to delete posts and not to report on Rotherham professionals moving forward even though [there are] no reporting restrictions on the case.

I’d like to add, the information I’ve reported came directly from South Yorkshire Police over 6 months ago.

It’s also been in the public domain for over 6 months.

I’d also like to add the police officer didn’t really have a clue what was going on.

Rotherham Rapists Released

In a further affront to the victims, authorities have released a number of the Rotherham rapists.

“Five of the six members of one of the most depraved Rotherham grooming gangs have been released or have parole hearings coming up,” [DailyMail.com reported](#):

Just seven years after the gang was put behind bars for sexually abusing two girls they plied with alcohol and cannabis in 2017 in Rotherham, South Yorkshire, most of the men are free or have imminent parole hearings. ...

[T]hree members of one Rotherham gang, who were jailed for offences that took place between 1999 and 2001 in the city, have already been released on licence.

This is despite the three monsters who sexually abused young girls — Tayab Dad, Amjad Ali, and Matloob Hussain — being handed jail sentences of between 10 and 13 years for rape and sexual intercourse with a girl under 13.

Two other members of the gang — Dad and Mohammed Sadiq — have been referred to the Parole Board and will be listed within the next few weeks for hearings that will be heard within months.

The gang rapes in Rotherham [were among](#) the first to be revealed. [Police covered up](#) the scandal for fear of being called racist.

But now we know they did more than cover for the Muslim rapists. They threatened to arrest fathers who tried to protect their daughters.
