LINDELL CYBER SYMPOSIUM: Alaska Rep Says Election Integrity Concerns **MUST** Be Resolved

So many Americans on both sides of the aisle have expressed concerns about election integrity and fraud that not addressing the issue is simply not an option anymore, explained Alaska Representative David Eastman in this interview with The New American magazine's Senior Editor Alex Newman at Mike Lindell's Cyber Symposium in South Dakota. Even without specific evidence that any particular race was rigged, the fears of fraud outlined in 2016 and then again in 2020 mean that Americans are losing confidence in their elections, which could be devastating. Rep. Eastman also provides some insight and lessons he learned in Alaska that might help the nation deal with this crisis.
