Nikki Haley Ends Presidential Campaign

After losing [14 of the 15 Republican primary contests](#) last night, Nikki Haley announced she has ended her presidential campaign today, stating this morning, “But the time has now come to suspend my campaign. I said I wanted Americans to have their voices heard, I have done that. I have no regrets, and although I will no longer be a candidate, I will not stop using my voice for the things I believe in.”

Haley congratulated former President Donald Trump, and is encouraging Trump to earn the votes of voters who have not supported him, saying, “It is now up to Donald Trump to earn the votes of those in our party and beyond it who did not support him, and I hope he does that.”

Nikki Haley got TROUNCED last night, in record setting fashion, despite the fact that Democrats, for reasons unknown, are allowed to vote in Vermont, and various other Republican Primaries. Much of her money came from Radical Left Democrats, as did many of her voters, almost 50%, according to the polls. At this point, I hope she stays in the “race” and fights it out until the end! I’d like to thank my family, friends, and the Great Republican Party for helping me to produce, by far, the most successful Super Tuesday in HISTORY, and would further like to invite all of the Haley supporters to join the greatest movement in the history of our Nation. BIDEN IS THE ENEMY, HE IS DESTROYING OUR COUNTRY. MAKE AMERICA GREAT AGAIN!!!
