WEF Co-founder's Son Condemns Organization

Pascal Najadi is calling for the arrests of Klaus Schwab, Bill Gates, and others in leadership of groups such as the World Economic Forum (WEF), the World Health Organization (WHO), Big Pharma, Big Tech, and more.

Najadi is the son of Hussain Najadi, the late international banker who served as the first chairman of developing nations at what is now the World Economic Forum.

In a [video](#) posted on Twitter/X, Pascal calls the Covid shots “poison” and says that both he and his mother are dying from the jab.

The New American

“Everything evil in the world related to democide unfortunately comes from Geneva,” he relates, naming the WHO; Gavi, the Vaccine Alliance; and the WEF, of “which my father was a co-founder and left Klaus Schwab out of disgust in the early ’80s.”

He says that these groups should no longer be granted diplomatic immunity by Swiss authorities.

The video features [Dr. Astrid Stuckelberger](#), P.D., Ph.D., who made a name for herself during the pandemic as a UN whistleblower.

[Russia Herald](#) identifies Najadi as a “banker, film producer, and author.” The video does not list production credits, but does identify him as being affiliated with thedocuments.info and includes the hashtag #RestoreSwissNeutrality.
