Pope & Rothschilds Join Big Biz for Fascist Global Technocracy

In this episode of Behind The Deep State, host Alex Newman exposes the new Coalition for Inclusive Capitalism With the Vatican bringing together Pope Francis, the Rothschild banking dynasty, government leaders, tax-exempt foundations, UN bigwigs, central bankers, and top mega businesses to replace what remains of the free market with fascist-style global technocracy. Getting business and capital onboard with the totalitarian United Nations Agenda 2030 Sustainable Development Goals (SDGs) is a key part of the plan. Newman explains that this alliance is aimed at putting a religious and moral veneer on the globalist effort to usher in the “New World Order” that the Deep State has been pushing for generations.
