

Secular Jew: America is a Christian Nation

In this interview with The New American magazine's Alex Newman, author and radio host Charles Moscovitz talks about his new book, *God is God*. Among other points, he argues that believing in God is crucial to understanding science, that there is an organized "conspiracy" and war against God stretching back to the Garden of Eden, and that America was founded as a Christian nation. A self-proclaimed secular Jew, Moscovitz offers unique insights into critical questions that will be edifying to people of all faiths.
