We are monitoring reports of the earthquake impacting Taiwan and continue to monitor its potential impact on Japan. The United States stands ready to provide any necessary assistance. All those affected are in our prayers.

Japanese Prime Minister Fumio Kishida [stated on X](#):

To the people of Taiwan, I am deeply saddened to hear that a large earthquake has occurred in eastern Taiwan, causing extensive damage. I would like to express my heartfelt sympathies to those affected. We are grateful for the heartwarming support we received from our dear friends in Taiwan during the Great East Japan Earthquake and the recent Noto Peninsula earthquake.
