The Anti-speech Cartel Increases Censorship, Kicks TNA off YouTube

The “censorship industrial complex,” a powerful cartel of Big Tech platforms, academic institutions, government agencies, and NGOs, has recently added to its list of views you’re not allowed to express on Big Tech platforms. The list now includes sane views on binary sexes, those that deviate from the false narrative of man-caused catastrophic climate change, and discussion about the Deep State. The change has resulted in the shutting down of *The New American’s* YouTube channel.

This clip is taken from the May 17 episode of The New American TV. You can watch the entire show at <https://thenewamerican.com/durham-report-sparks-talk-of-policy-change-speech-cartel-expands-list-of-forbidden-views/>.
