

The New CEO of The John Birch Society and the 2020 Election

Dr. Duke talks with the new CEO of The John Birch Society, Bill Hahn. Starting out in PR with the society and not knowing much about JBS prior, Bill talks about what he's learned along the way and how JBS is needed now more than ever. This is only made clearer with the upcoming election. "We understand that the neither Democrat nor Republican hold the monopoly on tyranny." The John Birch Society has a long history of using the Constitution as a benchmark and calling out those that are not following it regardless of what side of the isle they're on.
