

The New American

Author: [Paul Dragu](#)

Date: October 18, 2022

Are the millions of people who refused the jab over concerns that it was harmful proving paranoid or correct? We are approaching the two-year mark of the Covid “vaccine” rollout. This episode features a discussion about what we’ve learned about the jab over the last year and a half. Paul Dragu interviews Dennis Behreandt, publisher of *The New American* magazine and author of the book *End Game: COVID and the Dark State Quest for Bio-digital Convergence In a Transhumanist World*.
