

The New American

Author: [TNA Video](#)

Date: October 26, 2020

In this episode of Behind The Deep State host, Alex Newman explains how the United Nations has been plotting “World Government” since its creation 75 years ago. Alex concludes with a call to get rid of the cancer that is the UN by calling your representatives and supporting H.R. 204: American Sovereignty Restoration Act of 2019.
