Deep State Using UN WHO for NWO | Behind the Deep State

In this episode of Behind The Deep State, host Alex Newman explains how the globalist Deep State is using the UN World Health Organization (WHO) to advance its agenda for a New World Order. He starts by talking about Trump's decision to defund and withdraw from the WHO due to its subservience to Communist China. The Deep State plan is to make the WHO, run by Marxist terrorist Dr. Tedros Adhanom Ghebreyesus of Ethiopia, into a global health ministry. Alex shows that communists, socialists, and tyrants have been key to WHO from the start. He also exposes the agenda to have government take over healthcare all over the world, with Agenda 2030 Sustainable Development Goals (SDGs) purporting to make that mandatory for all nations. It is interesting that communists and crony capitalists, especially Big Pharma, all make common cause under the WHO. Finally, Alex talks about how the WHO is using vaccines and "mental health" to harm and enslave humanity.
