BLM Goon Who Attacked White Man Is a Convicted Sex Offender. Cops Arrest Him for Aggravated Assault

The Black Lives Matter goon who attacked a white man from behind during Saturday's Millions MAGA march in Washington, D.C., [is a convicted sex offender](#).

Court records show that Kenneth Wayne DeBerry is quite familiar with criminal courts thanks to his sex crime and two other felony convictions. But the brutal sucker punch that felled his victim, caught on video by *The Daily Caller*, and his subsequent arrest, demonstrate something else.

The hate-Trump protest movement that besieges cities, and burns and destroys property and attacks Trump supporters with impunity, is filled with hardened criminals who belong in jail.

DeBerry is just the latest sex offender caught making trouble. Joseph Rosenbaum, the child rapist who attacked Kyle Rittenhouse in Kenosha, Wisconsin, this summer, [was another](#).

The latest attack is a warning to white Trump supporters: Gather to exercise your First Amendment rights in a Democrat-controlled city at your own risk.

A convicted thug or child rapist might attack you.

Punch and Arrest

The video clearly shows a white man trying to defend himself against marauding BLM thugs.

One black youth hits him twice from behind, but the victim escapes, only to have the black-bloc thug level him from behind.

Daily Caller reporter Jorge Ventura fingered the violent thug, the website reported.

D.C. cops collared four goons involved in the attack, they said.

"The suspects were involved in a collaborative effort to incite violence during first amendment assemblies at the listed location," [police reported](#).

One of the suspects struck the victim, rendering him unconscious. Other suspects assaulted the victim and took his property. Four suspects were apprehended at the scene by responding officers.

Police arrested DeBerry for "Disorderly Conduct — Inciting Violence, Aggravated Assault and Felon in Possession of a Firearm after he was found to be in possession of a handgun."

D.C. court records, again, divulge DeBerry's stellar career as a criminal in D.C.

His crime resumé includes a guilty plea on October 1, 2008 for [second-degree child sex abuse](#). The court sentenced him on October 29 to 40 months in prison, 10 years supervised release, and 10 years on the sex-offender registry. The original charge, the record shows, was [first degree child sex abuse](#), which could have ended in a life sentence.

As for DeBerry's new charges, [aggravated assault](#) can carry a 10-year prison sentence. If convicted on the gun-possession charge, [DeBerry faces](#) a mandatory sentence of one to three years in prison. A conviction might also end in a second 10-year sentence.

Other Antifa-BLM Criminals

The sucker punch from a BLM street marauder, which could have killed the individual and should invite a charge of attempted murder, is no surprise.

Americans have witnessed shocking anti-Trump violence in cities across the country.

In early September, Antifa terrorist Michael Forest Reinoehl refused to surrender to police after he murdered Trump supporter Aaron Danielson in Portland and fled the city. [Police killed](#) the "peaceful protester" when he refused to surrender.

"I'm 100% Antifa all the way," Reinoehl bragged. And he confessed to murdering Danielson.

Antifa-BLM thugs failed to kill pro-police Trump supporter Kyle Rittenhouse, [who is charged](#) in the killing of two and shooting of a third on August 25.

Rittenhouse shot and killed Rosenbaum, who attacked him during Antifa-BLM riots in Kenosha, Wisconsin. Rosenbaum [was revealed](#) as a homosexual child rapist. His victims were three boys ages nine to 11. Video showed Rosenbaum to be an unhinged sociopath.

Rittenhouse also shot and killed Mark Anthony Huber. [A violent domestic abuser](#) and convicted strangler, Huber attacked Rittenhouse with a skateboard.

Gaige Grosskreutz, a convicted gun criminal, brandished a gun before Rittenhouse shot him in the arm. One of Grosskreutz's Facebook friends [confessed that](#) Grosskreutz regrets not killing Rittenhouse.

Message to Trump Supporters

That hardened, violent felons are enthusiastic recruits for the anti-American Antifa-BLM terror conspiracy is not surprising, and it sends a message to Americans who would gather to support President Trump.

Doing so might well mean jeopardizing one's life should a DeBerry, Huber, or Rosenbaum be running amok among the "[mostly peaceful protesters](#)," who are often disguised in [black-bloc](#).

The violent goons will attack. Be prepared to defend yourself.
