

Buttigieg Protégé Wojahn Sentenced to 30 Years on Child Sex-abuse Charges

Patrick Wojahn, a close associate of homosexual Transportation Secretary Pete Buttigieg and frequent visitor to the White House, will go to prison for 30 years on child sex-abuse charges.

Also a habitue of 1600 Pennsylvania Avenue and the former mayor of leftist College Park, Maryland, Wojahn was sentenced in Prince George's County, Maryland, on 140 counts of possessing images of child rape.

For his part, Buttigieg falsely denies knowing the sex fiend, despite proof to the contrary, including myriad photos that show the pair standing closer than two pansies in a flower pot.

The Charges

Wojahn, the [Baltimore Banner reported](#) in its sentencing story, might very well have gone on to rape children had the cops not stopped him at viewing images of child sex abuse.

"For almost 1½ hours at the sentencing Monday of former College Park Mayor Patrick Wojahn in Prince George's County Circuit Court, Assistant State's Attorneys Monica Meyers and Jess Garth explained how possession and distribution of child sexual abuse material is not a victimless crime," the website reported:

Law enforcement, prosecutors said, knew the names of 52 children who appeared in images on Wojahn's cellphone. They experienced sexual abuse all over the world. The United States. Canada. Mexico. Spain. Germany. The United Kingdom.

But there were hundreds, if not thousands more children that investigators could not identify. The total number was so large, prosecutors said, that it surpassed the enrollment of Wojahn's local elementary school, Hollywood Elementary....

Wojahn said he still cannot explain what led him to go down a "very dark and dangerous and destructive path." He said he wants to find out and seek help.

Besides apologizing to those depicted in the child sexual abuse material, Wojahn said he was sorry to the people of College Park as well as his friends and family members. "I want to be the person they know me to be," he said.

Wojahn's perversion led him down that path, and he is, indeed, the person everyone knows him to be: A sex fiend who was stopped before he could get his hands on a real kid.

Who's He?

Wojahn's buddy Buttigieg, the nation's chief tailpipe inspector, hid in the bushes, Elon Musk reported on X, despite the obvious truth. The [Village People's construction worker](#) couldn't pry the two *ricchioni* apart with a forged steel crowbar.

"I was just informed by Secretary Buttigieg's office that he does not know this person and has never spoken to him by phone. They say this was simply one of many pictures at an event," tweeted Musk.

Not true.

As Fox News reported when cops collared the pervert, Wojahn not only knew Buttigieg quite well but also frequented the White House, [a gathering place](#) for the nation's top perverts since Joe Biden took power.

"I actually met Mayor Pete Buttigieg shortly after I was elected mayor in 2015," [Wojahn told](#) Washington, D.C.'s newspaper for the Lavender Lobby, the *Blade*. "I went to the U.S. Conference of Mayors' Winter Meeting in D.C. in January and he was assigned to be my buddy."

Buttigieg was Wojahn's "mentor," the [sex fiend told](#) the *Blade*.

[Reported Fox News](#) back in March 2023:

In one Instagram post from June 25 [2022], which included two pictures, Wojahn posed for pictures with Buttigieg and his husband, Chasten.

The caption reads, "Always great to see these guys at the White House!!"

The other two White House events he attended were a "Pride Month Reception," which included a "Signing of an Executive Order on Advancing LGBTQI+ Individuals," and a ceremony celebrating the passage of the Inflation Reduction Act.

In addition to the three visits listed on the White House website, Wojahn made three additional visits in December 2022 and January 2023, which will not be released on the White House website until March 30 and April 30. On Dec. 11, he posted several pictures of the White House interior, which included Christmas decorations and a caption that read, "Happy holidays! Enjoyed the opportunity tonight to see the stunning 'We the People' holiday decorations and celebrate the season!" Another post that he was tagged in on Instagram revealed that he was at the White House when Biden signed the Respect for Marriage Act two days later on Dec. 13.

And Wojahn and Buttigieg appear in myriad photos together:

Another Wojahn pal is former House Speaker Nancy Pelosi.

Buttigieg's lie that he doesn't know Wojahn is hardly surprising. He needs to steer clear of sex perverts given the trouble he has at home. Buttigieg's "husband" is a child groomer.

In 2019, Chasten "Buttigieg" [was recorded](#) teaching kids at a "Pride Camp" to pledge allegiance to the

pervert rainbow flag.

“I pledge my heart, to the rainbow, of the Not So Typical gay camp, one camp, full of pride, indivisible, with affirmation and equal rights for all,” Chasten said, with the kids repeating after him.
