Charlie Kirk Hater Sentenced for Possessing Child Porn, Blames Parents for “Religious Trauma”

Yet again, a Charlie Kirk hater has turned out to be a sex pervert. And sex criminal.

This time, the culprit is a former high school principal in Oregon, who landed more than five years in the slammer for possessing child porn, and another three years of supervised probation.

Jeremy Peter Williams won’t ever see the inside of a classroom again, unless he decides to teach a class in state prison, or maybe takes a course in political tolerance as he wiles away the years trying not to drop the soap in the shower.

Online Mistake

The 50-year-old former pedagogue told cops that “he sought communities online to make connections through writing erotic short stories featuring children, which eventually parlayed into sharing explicit images of juveniles, according to the pre-sentencing investigation report,” [The Daily News in Longview, Washington, reported](#).

During sentencing, the newspaper reported, he mumbled a “softly spoken short apology.” The sex fiend pleaded guilty on January 12.

He got off easy, it appears, having faced 13 charges, the newspaper reported. A plea deal led to a conviction on “three counts of possession of depictions of minors engaged in sexually explicit conduct.”

Like so many such men, the bearded Kirk hater let it all hang out online.

“During a Feb. 4 interview with authorities, he said writing the erotic short stories made him popular and feel powerful because people online wanted only what he could provide,” the newspaper continued. “His writings won a few competitions, he added.”

What kind of competitions those are and who judges them is something most people might wonder. But anyway, “eventually a woman reached out online to role play and have him write similar stories for her,” the newspaper continued:

This woman shared an explicit image of a young girl, setting off a back-and-forth between him and others of sharing sexual images of kids.

He even admitted sharing a video of a 6-month-old to another person online, the report states.

He also said he was having difficulties at work and home, making him feel isolated and powerless, leading him to search for connection online.

He added that he didn’t do anything sexual with students.

The [Columbia County Spotlight explained](#) that Williams used social media to ply his dirty trade.

Cowlitz County cops got on his trail on August 18, the newspaper reported, when the Kik and Discord social media sites tipped them off. They “flagged a user for sending and receiving child sexual abuse material. Investigators were able to link an IP address to the accounts and connected the IP address to Williams,” the newspaper reported:

In total, 31 files allegedly shared or received by Williams were flagged by the social media sites as being suspect, which investigators confirmed as child sexual abuse materials.

Investigators do not believe the images and videos depict any students attending Rainier [Oregon] schools.

“Religious Trauma”

Amusingly, Williams — who, again, is 50 years old — blamed his ruthless, Christian fundamentalist parents for his perversions. He suffered “‘religious trauma’ due to being raised to believe that if he did anything ‘bad or had bad thoughts,’ he would go to hell,” [The Daily News reported](#).

His parents' stern advice, apparently, fell on deaf ears. For he did do something bad, and clearly had bad thoughts. Thus, his writing sex stories with kids, and sharing child porn.

After serving 61 months in prison, he must serve three years of supervised probation. He must also register as a sex offender for 15 years, and pay \$3,000 in court fees.

When cops arrested Williams, he was on administrative leave from his post as principal of Rainier Junior/Senior High School in Columbia County, Oregon, [for celebrating](#) the murder of conservative activist and Turning Point USA founder Charlie Kirk.

A school news release did not explain what Williams said, but over video of Williams' speaking to cops, an X post reported his comments as "OH TOO BAD... GOOD RIDDANCE."

Assassination Pervert

Williams isn't the first hate-Kirk nutjob caught with child porn.

George Zinn, the man who falsely claimed he shot Kirk the day the conservative activist was assassinated, is yet another sex pervert. The obstruction of justice charge he faced for that claim is the least of his worries.

During the obstruction interview at a hospital, Zinn confessed that he shouted "I shot him, now shoot me" to help the real gunman escape. "FBI and Utah State Bureau of Investigation agents asked Zinn for his phone so it could be searched, and he agreed," [NewsNation reported](#):

The sheriff's office said he told the agents he uses his phone to look at and abuse child sexual abuse material, and that there may be some images of it on there, which agents later found to be true.

The case was handed over to the Utah County Special Victims Unit and detectives said they found over 20 illicit images of children ranging from 5 to 12 years old and several "very graphic sexual text threads" in which Zinn shared the images with other people. Zinn also allegedly admitted that he gets sexual gratification from looking at and sharing the images.

Online gaming platform Discord also featured in the Kirk assassination, as [murder suspect Tyler Robinson confessed](#) to the crime on the site.
