D.C. Murder of Guardsman at Least Fourth Recent Major Crime Involving an Afghan Biden “Migrant”

The asylee arrested in last week’s murder of a West Virginia National Guardsman in Washington, D.C., is at least the fourth Afghan recently involved in a major crime.

On November 26, police allege, Afghan Biden “migrant” Rahmanullah Lakanwal murdered Guardsman Sarah Beckstrom, 20. The day before, cops in Tarrant County, Texas, arrested and charged another Afghan Biden “migrant,” Mohammad Dawood Alokozay, with threatening terror.

The week before that, Afghan Biden “migrant” Abdullah Haji Zada was sentenced to prison for plotting a terror attack on Election Day 2024. His co-conspirator, also an Afghan Biden “migrant,” has not been sentenced.

And in April, Biden Afghan “migrant” Jamal Wali attempted to murder a cop in Fairfax County, Virginia. Cops shot and killed him.

Tarrant County Terror Plot

Afghan Biden “migrants” have been trouble from the day Biden began importing some 75,000 of them, as *The New American* repeatedly reported in 2021. Biden imported not only Afghans [who brought](#) child brides with them, but also those [who committed sex crimes against kids](#) and [beat their wives](#). A gang of Afghans attacked a woman service member at a refugee compound near Fort Bliss.

But the Afghans have graduated to terror and murder ... of Americans. Beckstrom’s murder in Washington, D.C., prompted President Donald Trump to [announce on Truth Social](#) an [end to Third World immigration](#).

And during the weekend, the Department of Homeland Security (DHS) announced that the Tarrant County cops stopped what might have been another deadly attack.

Immigration and Customs Enforcement has placed a detainer on Alokozay, Department of Homeland Security spokesman Tricia McLaughlin announced.

Alokozay, who landed here under Biden’s [Operation Allies Welcome](#), “was arrested for threatening to blow up a building in Fort Worth,” she wrote on X:

Mohammad Dawood Alokozay posted a video of himself on TikTok indicating he was building a bomb with an intended target of the Fort Worth area. He was arrested on Tuesday by the Texas Department of Public Safety and FBI JTTF [Joint Terrorism Task Force] and charged with making Terroristic Threats.

Election Day Terror Plot

On November 19, just days before Alokozay was arrested, the Department of Justice (DOJ) [announced](#) the sentencing of Abdullah Haji Zada, 19, to 15 years in federal prison.

“Zada and a co-conspirator received two AK-47-style rifles and 500 rounds of ammunition, knowing that the firearms and ammunition would be used in connection with a terrorist attack on Election Day in November 2024, on behalf of the Islamic State of Iraq and al-Sham (ISIS), a designated foreign terrorist organization,” [DOJ reported](#).

The co-conspirator was Nasir Ahmad Tawhedi, 28.

Fairfax County Murder Attempt

Frighteningly, Jamal Wali’s attack on Fairfax cops in Virginia suggests that the Afghans whom Biden imported are, for whatever reason, themselves bombs waiting to explode.

Video shows a deranged Wali arguing with police during a traffic stop for no reason. Cops pulled him over for an expired inspection sticker. Wali told the cops he had a gun, that he did not have a driver’s license, and that they should call Joe Biden or George Bush.

When a cop asked why he didn’t have a license, Wali replied, “Go back, sit in the f***ing car and leave.”

“No, sir, it doesn’t work that way.”

Wali refused to identify himself, and told the cops he could not return to Afghanistan “because of you f***ing people.” He complained about his life in the United States. “Well, it sounds like you’re going

through a really rough time,” the cop said.

“I should have served with the f***ing Taliban!” he replied.

Moments later, Wali pulled his weapon and [shot two cops](#).

In April, another Afghan migrant who was moved into the U.S. with his family launched a shooting attack on police in Fairfax, Va. He made anti-white statements and said he wished he had helped the Taliban. He shot two officers before being shot dead.

Worked With U.S. Forces; No Vetting

Many of the Afghans are here because they worked with U.S. forces in Afghanistan. For instance, Lakanwal worked with the CIA in a “Zero Unit” that [has been described](#) as a death squad.

News reports have described Wali [as a “translator”](#) for U.S. forces and as someone “who made the mistake of working for the Special Forces and the CIA.”

Whatever he was, he was clearly a man unhinged.

Mohammad Kharwin, an Afghan national who was on the terror watchlist, was apprehended by the Border Patrol in 2024 but RELEASED into the country by the Biden administration. He was arrested again after being allowed to live in the United States at large for over a year.

Aside from importing unstable Afghan or Afghan terrorists in a massive airlift during the nation's disastrous withdrawal from their country, Biden released at least one terror suspect, Mohammad Kharwin, at the border in 2024, DHS reported.

As [The New American reported](#) in 2021, GOP U.S. Senator Josh Hawley of Missouri [revealed the administration's](#) written directions that "anyone with a valid form of ID should be given permission to go on a plane if the person plausibly falls into" certain categories. As well, "total inflow to the U.S. must exceed the number of seats available. Err on the side of excess."

In other words, U.S. officials hadn't a clue about the unvetted people they were flying into the United States.

Now, they do.
