Feds Charge Okla. Loon With Threatening to Murder ICE Agents

Yet another unhinged leftist will likely face prison time for threatening to murder Immigration and Customs Enforcement (ICE) agents.

This time, the suspect is Taylor Ryan Prigmore, 30, of McLoud, Oklahoma, who posted threatening videos on YouTube, [federal prosecutors allege](#).

Prigmore threatened federal agents eight times in one week alone, and said he wished to murder “as many as possible.”

Prigmore isn’t alone. But at least he didn’t carry out his threats. Other deranged leftists have attacked ICE facilities and ICE agents, egged on by top Democrats who have repeatedly called ICE and other federal agents “Nazis” and “terrorists.”

Threats Began in May

The beginning of Prigmore’s life as he knows began on May 9, when he began threatening agents online, the FBI’s [criminal complaint says](#).

“Based on the content of comments that were uploaded to the YouTube video service, Google believes that there presently exists an emergency involving imminent death or serious bodily injury to a person or persons, and that immediate disclosure to you of certain information is required to avert the emergency,” Google reported to the bureau.

He threatened the agents under the name Adrian Tepes, the 19-page criminal complaint alleges. The bureau nailed down his phone through AT&T.

Prigmore posted several threats over videos on January 17, including “C*vil w*r. I can’t wait for the opportunity to k*ll people like you. Tell your friends.”

“Prep for civil w*r. Prep for d*th c*mps. Prep for k*lling f*deral *g*nts,” he posted on another video.

“It’s not sarcasm,” [he wrote](#) on another video:

I live in America. I am prepping physically and mentally to kill federal agents. Have you not

seen the news of late. The nazi's are winning over here. WWII is on it's way, and a great depression is probably around the corner. Our presidents needs to die to save lives. sex slaves, lynchings, rapes, disappearances and murders, are being perpetrated by ICE. In the open now. I intend to kill these people as law has abandon justice here.

The Details

The complaint detailed the threats chronologically back to May.

January 17: *I really tired of dumb f***s pretending he'll obey the courts. What is the 2nd amendment for? Prep yourself to kill federal agents.*

January 16:

- *What is the 2nd amendment for? Ending maga.*
- *I can't wait for the civil war. I'm hungry kill kill you maga f***s.*

January 14:

- *Buy guns. Kill ICE.*
- *Be brave. Say it where ever you go. Kill feds.*
- *No. A strike is no longer good enough when they are going door to door. We need to kill them.*

January 3: *We have to come to terms with the fact that we will have to kill and die our way out of this for our loved ones.*

On May 9:

- *I un-ironically want to see cops de-funded or dead. I'm done. I'm sure others are too. No more.*
- *If you aren't willing to die and kill for your cause you will lose. There is a chance that man is never seen again. Buy a gun. — ICE agents. Not a joke. Not a game. — them. I'm done. I'll — any cops that show up to my house. I'll — as many as possible and then — myself. All of you should do the same. Buy a gun. This is life and death. They will never face accountability. You are not a good person just because there are things you are not willing to do. Remember how we won WWII. It was not bloodless.*

The complaint includes screenshots of Prigmore's threats.

Also used to capture Prigmore was the Google Payment System, the [complaint says](#). Prigmore was arrested for violating [18 U.S. Code 875](#).

A conviction can yield five years in prison and a \$250,000 fine.

Other Threats, Attacks

Also involved in threatening ICE agents are [twin brothers in New Jersey](#), prosecutors alleged in December.

"Ricardo Antonio Roman-Flores and Emilio Roman-Flores, twins from Absecon, New Jersey, ... were arrested after allegedly posting to X that they wanted to torture and kill McLaughlin in a medieval fashion," as Fox News reported:

"[The Second] Amendment is in place for moments like this. Shoot ICE on sight," one of the brothers allegedly tweeted in a partially redacted response to a McLaughlin message:

“We Americans should find you, tar you, feather you, and hang you as we did to anyone serving tyrants before the Revolutionary War.”

In November, brothers in Virginia Beach, Virginia — one of them a school administrator — [were arrested](#) for threatening ICE agents and local cops.

FOX NEWS ALERT: Two New Jersey brothers have been arrested and charged with threatening to torture, hang, and kill DHS Assistant Secretary for Public Affairs Tricia McLaughlin.

As for leftists who attacked ICE agents, two were nearly killed in Minneapolis. An ICE agent shot and killed leftist Renee Good when [she nearly ran him over](#) with her SUV, while three illegal aliens [tried to murder](#) an ICE agent with a shovel and broomstick when he tried to apprehend one of the goons.

In October, [two radicals attacked](#) Border Patrol agents in Chicago.

Four defendants [in the July 4 attack](#) on an ICE facility in Prairieland, Texas — an ambush that involved more than a dozen crazed leftists — [pleaded not guilty](#) in early December.

In September, a lone gunman apparently [attempted to murder ICE agents](#) at a facility in Dallas, Texas. Instead, he killed an illegal alien.

Depraved individuals - who do not value human life and threaten law enforcement - do NOT belong in this country.

Leftists have created smartphone apps to track agents.

Officials [have arrested](#) multiple illegals for [soliciting the murder](#) of ICE and other federal agents, and the drug cartels [have created](#) a three-tiered program of reward for information about or killing them.

Helping foment the anti-ICE threats and attacks are far-left Democrats [who routinely call](#) the federal agents [“Nazis”](#) and [“terrorists.”](#)
