Hate-Kirk Leftists Celebrate His Murder, Get Fired; Matt Walsh, J.K. Rowling Threatened

MSNBC has fired regular guest Matthew Dowd, the talker who said, in so many words, that murdered conservative activist Charlie Kirk got what he deserved.

But he isn't the only hate-Kirk nut to lose a job.

So have other individuals in prominent positions who should know that they can't hide their social media. Even members of the military are celebrating his death, which will almost certainly invite punishment.

The message from the crackpot Left: Kirk was a hater who reaped what he supposedly sowed.

Bye-bye, Dowd

Dowd sunk his career at MSNBC [during an interview](#) with talker Katy Tur minutes after Kirk was shot. For her part, Tur called Kirk “divisive” and “polarizing,” a sentiment that Dowd felt compelled to amplify.

“[Kirk has] been one of the most divisive, especially divisive younger figures in this, who is constantly sort of pushing this sort of hate speech ... sort of aimed at certain groups,” Dowd said:

And I always go back to hateful thoughts, lead to hateful words, which then lead to hateful actions. And I think that’s the environment we’re in, that ... you can’t stop with these sort of awful thoughts you have, and then saying these awful words, and not expect awful actions to take place.

Not smart.

MSNBC President Rebecca Kutler moved quickly to control damage.

“During our breaking news coverage of the shooting of Charlie Kirk, Matthew Dowd made comments that were inappropriate, insensitive and unacceptable,” she said. “We apologize for his statements, as has he. There is no place for violence in America, political or otherwise.”

Dowd apologized too, but the damage was done. The far-left, hate-Trump network [booted him](#) out the door.

Why Tur hasn’t been fired is unclear.

Gov’t, Democrat Haters

X users are helpfully curating the lunatics employed in the government, notably by the military.

A Marine Corps recruiter in Chicago, Jacoby Williamson, had this to say about Kirk’s assassination: “Another racist man popped.”

Take a close look at many of the groups we see over-represented in celebrating Charlie Kirk's death:

- Teachers

- Government Workers

These are NOT radical blue-haired freaks. They are the highly-indoctrinated Democrat rank and file.

Many of those celebrating Kirk's murder are either teachers or healthcare workers. That means people charged with defending the nation, teaching children, and providing medical care are far-left haters. Tatiana N. Atkins, for instance, is thrilled with Kirk's murder:

I'm just really glad that Charlie Kirk got himself f**king shot because he's right, empathy is dangerous to society, so no one should give a f**k that he's dead.

But celebrating Kirk's murder wasn't enough for some leftists. Conservative commentator Matt Walsh curated threats that he "is next."
