## Sandmann #ReformOurMedia Video Urges Fight Against Big Media. Lawyer: More Lawsuits Coming

Lawyers for Nick Sandmann have posted another outstanding video to YouTube, this one about the 16-year-old boy's fight against the "goliath" media corporations and leftist social media mob that smeared him.

The latest video, [posted as #Reform Our Media](#), invites viewers to stand up and fight the soulless corporations that smear and attack whomever they wish, with no fear of retaliation, such is their financial power.

Sandmann, with the help of attorney Lin Wood and Todd McMurtry, is fighting back. On Tuesday, [they filed](#) a \$275 million defamation lawsuit against CNN. That action followed the [\\$250 million claim against](#) the *Washington Post* filed in late February.

Now comes another hard-hitting video.

### Fake News From Memorial

It opens with young Sandmann's story, which began when the boy from Covington Catholic High attended the March for Life on January 18.

When he and his school chums gathered at the Lincoln Memorial to catch buses for the ride home, a group of crackpots, the Black Hebrew Israelites, verbally assaulted them and passersby with racial and other insults. The boys replied with high-school chants. They said nothing dirty or remotely "racist," as the media falsely claimed later on. But they did wear MAGA hats they had purchased as souvenirs.

As the radical blacks carried on, Nathan Phillips, a "Native American elder" and [military faker](#), approached Sandman, chanting ritualistic gibberish and banging a drum. Video of that nose-to-nose meeting, which depicted Sandmann as the villain, went viral.

Led by CNN and the *Post*, the media, the radical left, and Hollywood celebrities smeared the boys. They weren't just the aggressors. They were privileged white racists, ridiculing not just the blacks but the quiet Indian war hero. Even worse, the privileged white racist boys were Catholics, and we all remember what awful things the Church visited upon the Native Americans.

But it was one big lie. A 15-minute video from Sandman's attorneys [exonerated him](#), as did a [private detective agency's report](#). And so Sandmann sued.

But now comes another video that urges viewers to fight the media giants who smeared Sandmann. If they think they can smear an innocent boy, the message is, what will they do to you?

### Two Minutes of Truth

The media "falsely targeted, attacked, vilified and threatened" Sandmann, the [video begins](#). "*The Washington Post*, owned by the richest man in the world, led the print media's false attacks against Nicholas' reputation. CNN led the broadcast media's charge.... Both recklessly spread lies about a minor to advance their own financial and political agendas."

That agenda is anti-Trump, as the lawsuits note, but in any event the video says the *Post* and CNN “doubled down on their reckless lies” even though raw video showed the truth. The media told “lies that will forever haunt and endanger the life of an innocent young man, lies that further divided our nation,” the video continues. “How long will we allow these media giants to tear at the fabric of our lives to further their own agendas? Will they ever be held accountable?”

[The video says](#) Sandmann “has taken a stand for himself and for you” by filing the lawsuits, and that he his attorneys “will not be stopped until these goliath corporations are held accountable for their lack of journalistic integrity.”

“Until then,” the narrator says, “no one’s reputation is safe.”

The closing seconds feature Wood, who rightly notes that Sandmann “did absolutely nothing wrong. If they can get away with this against a 16-year-old boy then we’re all at risk.”

## More Lawsuits

The video aside, the rest of the mob who smeared Sandmann with a Two Minutes Hate had better lawyer up.

Next up to be sued, McMurtry [told Todd Starnes](#) of Fox Radio, are NBC, the Associated Press, HBO and its left-wing agitator, Bill Maher, who viciously attacked Sandmann on January 27.

“I don’t blame the kid, the smirking kid,” Maher said on January 27. “I blame lead poisoning and bad parenting. And, oh yeah, I blame the f\*\*king kid. What a little p\*\*ck. Smirk-face! Like that’s not a d\*\*k move at any age to stick your face in this elderly man.”

[Tweeted Wood](#), “Bill Maher falsely accused Nick Sandmann of sticking his face in ‘this elderly man’s face.’ He vilified Nick by using obscene profanities to describe a 16-year old. HBO counsel wrote, ‘any effort to pursue a claim against HBO or Mr. Maher would be frivolous.’ I disagree. Do you?”

“We have to issue opportunities for these news organizations to provide retractions,” [McMurtry said](#). “But right now we’re looking very carefully at NBC, AP, HBO. And again, HBO is primarily because they carry Bill Maher’s disgusting comments about Nicholas Sandmann. So those probably are the next three defendants.”
