

Waukesha Massacre Suspect Tied to Radical Islamic Group. Leftist D.A. Laments Bail That Let Suspect Out of Jail

The suspect in Sunday's Waukesha Christmas Parade Massacre, who will be charged with five counts of intentional homicide today, is a Muslim black supremacist and dangerous felon wrongly released from jail.

Conservative writer Laura Loomer reported that career criminal Darrell E. Brooks, Jr. is a member of the unhinged Five Percent Nation, a group of dangerous Islamic crackpots.

Meanwhile, Milwaukee's leftist District Attorney John Chisholm confessed that Brooks never should have been allowed to post a \$1,000 bail given the crimes with which he was charged when he was freed from jail last week.

In other words, had Brooks been in jail where he belongs, he wouldn't have been able to mow down 53 people as [he fled](#) the scene of yet another crime. Five of those people are dead thanks to the leftists who run the Milwaukee district attorney's office.

Loomer Report

[The Loomered report links](#) Brooks to the [Five Percent Nation](#) through his social media name, MathBoi Fly.

The Five Percenters, Loomer wrote, believe the world [is divided](#) into three categories:

85% of the world's population, which includes White people, are described as "uncivilized people, poison animal eaters, slaves from mental death and power, people who do not know the Living God or their origin in this world, and they worship that which they do not know. They are easily led in the wrong direction, but hard to lead into the right direction."

The other 10% of the world's population is described as, "the rich, slave makers of the poor-who teach the poor lies, to believe that the Almighty, True and Living God is a spook and cannot be seen by the physical eye. Otherwise known as the Blood Suckers of the poor."

The last five percent, known as the "Five Percent Nation" are described as, "the poor, righteous Teachers, who do not believe in the teachings of the 10%, and are all wise and know who the living God is, and teach that the Living God is the Sun of man, the Supreme being (the Black Man) of Asia, and Teach freedom, Justice, and Equality to all of the human

family on planet Earth.”

Brooks’s social-media moniker, she wrote, is the link to this bizarre outfit. He bills himself as MathBoi Fly because the Five Percent Nation says “Supreme Mathematics and Supreme Alphabet are the key to understanding humans’ relationship with the universe.”

[Loomer’s report includes](#) a raft of Brooks’s anti-white, anti-Trump, anti-Semitic, and black supremacist social-media posts, including quotes from Malcolm X.

“...Help Africa in its struggle to free itself from Western domination. No matter where the black man is, he will never be respected until Africa is a world power.”
— Malcolm X

He also posted a meme featuring Adolf Hitler with a long quote about Jews. Brooks thinks that “religion is white supremacy.”

DA Chisholm

For his part, Chisholm is running for cover. [He explained](#) in detail how Brooks wound up in a position to plow into the Christmas parade.

Written by [R. Cort Kirkwood](#) on November 23, 2021

In July 2020, Chisholm wrote, his office charged Brooks with second-degree recklessly endangering safety and felon in possession of a firearm. Bail was set for \$10,000, then reduced to \$7,500.

In February, still in jail, Brooks demanded a speedy jury trial. The state could not comply, and so reduced his bond to \$500.

Two weeks ago, as [The New American reported](#) yesterday, prosecutors charged him with five crimes:

- second degree recklessly endangering safety;
- felony bail bumping;
- battery, obstructing an officer and disorderly conduct

Those were the charges that invited the \$1,000 bond requested by Chisholm's office. In that case, as Milwaukee's [Journal Sentinel reported](#), the victim told cops that "Brooks purposefully ran her 'over with his vehicle' while she was walking through a gas station parking lot after he had followed her there after a fight, according to the criminal complaint."

So Brooks had already tried to run over one person, which prosecutors didn't think was a good enough reason to keep him in jail.

That bail "was inappropriately low in light of the nature of the recent charges and the pending charges against Mr. Brooks," Chisholm said:

The bail recommendation in this case is not consistent with the approach of the Milwaukee County District Attorney's Office toward matters involving violent crime, nor was it consistent with the risk assessment of the defendant prior to setting of bail.

Now he tells us, the victims and their families must be saying.

In 2018, Chisholm bragged about springing criminals such as Brooks from jail:

Brooks is scheduled for court today at 4 p.m., the [Journal Sentinel reported](#).
