White House Hosts Perverted Nutcracker Performance; Anti-white Dance Company Supports Communist Terrorist Angela Davis

In what must be the most deranged event ever at the pervert-controlled White House, an anti-white tap-dance outfit performed a freakish update on Tchaikovsky's *Nutcracker*, which First Lady Jill Biden duly posted on X.

Reaction was swift. Ridicule and outrage poured in.

But Jill Biden was happy. She hurled another pervert pie in the face of Middle America.

A bit of magic, wonder, and joy brought to you by the talented tappers of Dorrance Dance, performing their playful interpretation of The Nutcracker Suite.

Enjoy! ☐

The Video

The perverted performance borders on the sacrilegious, and features a company of freaks and weirdos tap-dancing a weird, freakish routine through the White House.

Describing it is pointless. It has to be seen, preferably close to the bathroom should the viewer be sick and need to dash for the john.

It's no surprise coming from this administration, which works overtime insulting the moral beliefs of a large slice of the American population. Traitor Joe Biden, [who is orchestrating](#) the invasion of his own country by penniless illiterates from the Third World, began his administration by announcing he would permit "transgenders" [to serve](#) openly in the military. His Defense Department transition chief was a tranny.

After that, Biden made "transgender" Richard "Rachel" Levine the administration's No. 2 federal health official, and topped that off [by making](#) Levine an "admiral." Levine wants to chemically castrate and surgically mutilate "trans kids."

just happens to be [a child groomer](#). He also thinks he and “husband” Chasten are “fathers.” Buttigieg’s pal Patrick Wojahn, a frequent visitor to the Biden White House, [was recently sentenced](#) to 30 years on child sex abuse charges involving porn.

Hey, [@PeteButtigieg](#)...

Your good pal and mentee just received a 30-year prison sentence over a child p*rn case involving 500 victims.

Biden appointed a “non-binary” sadist, the chrome-domed Sam Brinton, to a top spot in the energy department, where he handled nuclear waste. Brinton is involved in something called “pup play.” An advocate of underage homosexual prostitution, [he was fired](#) after he was caught stealing luggage at airports.

Biden picked a deranged homosexual called Demetre Daskalakis to be monkeypox czar, presumably because so many homosexuals get the disease. Daskalakis could be a member of the Village People.

Daskalakis is a gay pentagram wearing radical leftist- looks like he has all the qualifications necessary to be part of the Biden administration ☐☐ pic.twitter.com/c7gAudJZSY

Then there’s the administration’s official spokesman, Karine Jean-Pierre, a four-fer in the world where nothing matters but “diversity.” She’s black. She’s a Haitian immigrant. She’s a woman (so far). And she’s a lesbian.

Then we had the [White House tranny flasher](#) at a “pride” party, and the [stash of cocaine](#) found by the Secret Service.

Now we get this show stopper.

The Dance Company

The performers are from [Dorrance Dance](#), a tap-dancing company in New York. Yet it does more than don the tap shoes to dance the night away. It’s also officially “anti-racist,” which is leftist code for anti-white.

The website’s [“antiracism” tab instructs](#) readers on the finer points of hating whitey.

It leads to a menu of other links, one of which is “how to educate yourself,” which in turn opens with this advice: “For those who are investigating or have questions about white privilege, systemic racism, white fragility, and anti-racism for the very first time: [antiracismforbeginners.com](#) answers all the basic questions in a very straightforward way.”

Written by [R. Cort Kirkwood](#) on December 15, 2023

The “[educate yourself](#)” page also features a menu of [books](#), [films](#), [videos](#), [articles & essays](#), and [speeches, podcasts & radio](#) material.

Articles and essays include a link to *The New York Times*’ [anti-white 1619 Project](#), and one to anti-white writer [Ta-Nehisi Coates](#)’ “[case for reparations](#).” Under a heading called “addressing and unpacking privilege,” leftist [Robin Dianello explains](#) “Why It’s So Hard to Talk to White People About Racism.”

The films page provides a [list of movies](#) about the “black experience,” and yet [another](#) “about police brutality, systemic racism, and civil rights.” Strangely, the website does not provide a link to police statistics that measure black-on-black crime in cities [such as Chicago](#).

Not insignificantly, the company and its pals at [antiracismforbeginners.com](#) are fans of [Soviet-backed communist terrorist Angela Davis](#). In 1970, Davis purchased the weapons that black criminal Jonathan Jackson used to seize control of a courtroom where his brother was on trial. One of those weapons was a shotgun with which Jackson blew the judge’s brains out. Davis was acquitted of murder.

Reaction

The reaction to this despicable performance is understandable and predictable. Fury ensued.

And, recalling that the [Bidens promised](#) to restore honor and decency to the White House, Brown-Eyed Girl offered this: “Guess this is what you both call honor & decency.”
