Is Trump Education Secretary Betsy DeVos a Swamp Creature?

In this video, The New American's Alex Newman takes a critical look at Trump's Education Secretary Betsy DeVos. Alex, who is also a teacher and co-wrote a book on education, raises troubling questions about her links to establishment swamp creatures such as Jeb Bush, and her past support for Common Core. Trump ran on a platform of killing the Obama-backed national education standards, but DeVos has a long history of supporting them. Americans should keep a close watch on all this.
