

Protect Children From Government Brainwashing

JEKYLL ISLAND — Parents must urgently protect their children from anti-Christian government indoctrination taking place in public schools, and that means getting them out of the government system, warned Exodus Mandate founder Lt. Col. E. Ray Moore. In this interview with The New American magazine's Alex Newman at Red Pill Expo, Moore spoke of the urgent need to rescue America by rescuing children from being dumbed down, sexualized, and brainwashed. Moore also discussed a new ministry known as Public School Exit that Newman is involved with, too.
