ICE Collars Second Suspect in CBP Officer's Shooting; Biden Caught and Released Both at Border

The second of two illegal-alien thugs has been arrested in the shooting of a U.S. Customs and Border Protection (CBP) officer on Saturday night in New York City's Fort Washington Park.

The two illegal Dominicans are Biden "migrants" caught and released at the border, the [Department of Homeland Security \(DHS\) reported](#). The two goons immediately began a career in crime after the Biden administration released them.

They weren't the only violent criminals arrested through the weekend. Immigrations and Customs Enforcement (ICE) arrested at least 10 sex fiends and other illegal-alien criminals.

The Shooting

Video of the attack shows the two Biden "migrants" approaching the officer and his companion on a motorcycle in the park below the George Washington Bridge.

The companion told authorities that "she and the [officer] were sitting on the rocks by the water when two subjects on a scooter drove up to them, dismounted the scooter and approached them with a firearm drawn," [DHS reported](#):

The off-duty CBP officer responded by withdrawing his own firearm in self-defense. The CBP officer was shot in his right arm and left cheek. Thankfully, the officer is in stable condition at the hospital.

Video shows the two thugs riding away after the shooting.

Arrested today was Cristian Aybar Berroa. Yesterday, authorities arrested Miguel Francisco Mora Nunez, “who shot the CBP officer,” [DHS reported](#).

As per usual with Biden “migrants,” both are dangerous criminals.

Criminal Records

Berroa jumped the border on June 19, 2022 and “was released into the country on interim parole pending his immigration hearing.” New York City ignored a detainer from Immigration and Customs Enforcement after cops arrested him for myriad crimes.

Reported DHS:

- May 10, 2023: Arrested for 2nd degree reckless endangerment;
- March 26, 2024: Arrested for 4th degree felony grand larceny and petit larceny;
- April 5, 2024: Arrested again for 4th degree felony grand larceny and petit larceny.

Ignoring the detainer, [said DHS](#), “the New York City Department of Corrections released Berroa back onto NYC streets.”

The above arrests, of course, did nothing to dampen Berroa’s enthusiasm for a criminal career:

- February 20, 2025: Arrested for 2nd degree reckless endangerment, reckless driving, and for driving without a license;
- June 12, 2025: Berroa pled guilty to petit larceny, a plea “made in consolidation of all his previous arrests, and he was conditionally discharged and allowed to roam the streets of NYC.”

“A judge ordered Berroa a final order of removal on January 3, 2023,” [DHS continued](#). But, of course, he was still in the country two and half years later.

Nunez is no future astronaut either. He jumped the border on April 4, 2023, and the Biden administration released him to commit his own mini-crime wave:

- October 11, 2023: Arrested for felony grand larceny, petit larceny, and reckless driving;
- October 1, 2024: Arrested for 2nd and 3rd degree assault;
- November 30, 2024: Arrested for criminal contempt;
- January 13, 2025: Again arrested for criminal contempt;
- On February 21: Leominster, Massachusetts, cops issued a criminal warrant for firearm robbery.

Yet before cops collared him for criminal contempt on November 30 last year, Nunez had received a final order of deportation after failing to appear for an immigration hearing.

Administration Response

Said DHS spokesman Tricia McLaughlin:

These violent thugs had committed a smorgasbord of crimes and been arrested multiple times and yet New York continued to release them, ignore an ICE detainer and allow them to continue to prey on Americans and terrorize our streets.

How many people have to die, how many lives have to be changed forever for [New York

Fumed White House aide Stephen Miller:

Acting ICE chief Todd Lyons [blamed](#) the Biden administration for the shooting:

Habitual criminals who weren't even supposed to be in the United States shot an off-duty federal officer in one perpetrator's second armed robbery this year.

Other Weekend Arrests

[ICE also released](#) the names and records of 10 illegals from across the globe who agents arrested during the weekend:

- Mexicans Jose Arinaga-Ramirez, 58, child molester, and Gilmer Vertiz-Bustemante, 37, murderer;
- Laotian Chue Vue, 37, attempted murder seven counts, assault with a deadly weapon;
- Peruvian Gil Salinas-Anaclo, 35, larceny;

Last week, [ICE bagged](#) an illegal with 67 arrests.
