Soros Migration Rent-a-Mob Amps Up for Aug. 28 Wash., D.C. Refugee Rally

The professional Soros migration/refugee agitators are rallying the street radicals to come to Washington, D.C., this Sunday, August 28. The aim of [#DCRally4Refugees](#) is to whip up the appearance of popular support for the [UN's September 19 Refugee Summit](#) and President Obama's plan to "surge" thousands more Syrian "refugees" into American communities.

The #DCRally4Refugees is being organized by dozens of radical-Left groups funded by billionaire hedge fund mogul George Soros (shown) and his Open Society Foundations. As we [reported](#) last week, hacked documents from the Open Society Foundations (OSF) database have confirmed what was long known to readers of *The New American*: that the plethora of "grassroots" NGOs lobbying for the United States to take in more refugees and more migrants is, in reality, a phony Astroturf setup of professional revolutionaries financed by corporate globalists.

Moreover, OSF's secret e-mails, memos, and reports posted by the DCLeaks.com hacktivists also reveal the incestuous, behind-the-scenes coordination among the Soros-financed street revolutionaries and their high-level consorts in the Obama administration and the United Nations.

One of the key globalist Insiders in the planned massive refugee resettlement scheme is the UN Secretary General's Special Representative on International Migration Peter Sutherland. As we have pointed out in [previous reports](#), Sutherland, the former chairman of Goldman Sachs International and British Petroleum (BP), is a top-level member of the Trilateral Commission, the Bilderberg Group, the Transatlantic Policy Network, and other world-government-promoting organizations, and is one of the key architects of the ongoing Muslim migration tsunami that is currently devastating Europe. Sutherland will also be one of the principal speakers at the UN Refugee Summit in September, according to the UN's press office.

As part of its effort to project the appearance of popular support for more refugee resettlement, the #DCRally4Refugees is urging activists to [sign online and postcard petitions](#) to Congress stating their strong support for the refugee influx and their opposition to legislative efforts in Congress that would impede the planned migration deluge.

"In the lead up to the refugee summits organized by the United Nations General Assembly and
