The far-Left Southern Poverty Law Center (SPLC) and rogue courts in New Jersey teamed up to squash the First Amendment-protected rights of Arthur Goldberg and his small Jewish ministry, JONAH, dedicated to helping people overcome unwanted same-sex attraction. In this interview on Conversations That Matter with *The New American* magazine's Alex Newman, Goldberg explains how he is now being forced to pay \$3 million as a result of this assault on his religious liberty and free-speech rights. The ruthless persecution of Goldberg, who authored the book *Light in the Closet*, offers a strong warning for Christians, Jews, and others of faith about what may be coming if Americans of goodwill do not unite to protect the Constitution and the God-given rights enshrined in it.
