Florida Campaign Ads Seek to Destroy “Child-killers”

[Randall Terry](#) and [Pastor Stephen Broden](#) are running for two open congressional seats in Florida, but they don’t want to win.

“Our mission is to blow a hole in the side of the Democrat Party’s boat,” Terry explains.

Their strategy is the same they used in last year’s presidential campaign, when they appeared on the Constitution Party ticket. As federal candidates, federal law dictates that they can broadcast uncensored campaign commercials.

Their Sunshine State commercials expose the horrors of sexual deviancy, gender mutilation, and the killing of children known as “abortion.” Gruesome pictures accompany hard-hitting narrative. The consistent message throughout their advertisements is that voting for Democrats is equivalent to voting for perversion.

You can view their ads on the campaign website [DestroyTheDemocratParty.com](#), and a few transcripts are below. Their presidential ads are also still available at [Terry2024.com](#).

Terry wants to continue this strategy across the country. He has identified three campaigns coming up this year — in Albany, New York; Houston, Texas; and Arizona. Many more opportunities will arise in the 2026 midterms. He’s appealing to patriots nationwide to consider running, and points out that candidates do not have to be residents in order to run for federal congressional office. The point isn’t to win the seat; it’s to run ads. Those interested can email randall@randallterry.com.

Currently, Pastor Broden is running in Florida’s U.S. House District 1, a seat recently vacated by Republican Matt Gaetz. Terry is running in District 6, empty since President Donald Trump selected Republican Michael Waltz to serve as national security advisor. Election Day is April 1.

Transcripts:

Roman Catholics are the largest voting bloc in the Democrat Party. African-American Christians, the second. Hey, people, wake the hell up! The Democrat Party is pushing murder, molestation, mutilation of children, and yet you vote for them? ... Are you insane? Do you want to face Jesus with blood on your hands because you voted for people who are killing His children? ...

Disney is grooming our children for sexual abuse and perversion. The legendary mouse has become the pied piper of perverts. Their comics are filled with wicked intent. Meanwhile, the Democrat Party is at war against our children. They are a fortress of malignant malice

and death. The Democrat Party must be destroyed, and Disney must repent. ...

The Democrat leaders and media are liars. They said Trump colluded with the Russians, that Biden was in great mental health, that Hunter's laptop was "Russian disinformation" that our border was secure. All lies! But their biggest lies are against God and His laws. Telling a boy he can cut off his penis to become a girl, or a girl can cut off her breasts to become a boy; that marriage can be between two people of the same gender, that mothers have the right to murder their babies up to the day of birth. Democrats even voted to let babies die that survive an abortion. And they've spent billions of dollars pushing perversion and death around the world. ...
