

Pro-Aborts Terrorize Kavanaugh, Diners At Morton's Steakhouse

Pro-abortion fanatics besieged a Morton's steakhouse where Associate Supreme Court Justice Brett Kavanaugh was dining, but were unsatisfied when Kavanaugh left the restaurant without eating dessert. Nor was terrorizing the other diners enough.

Because Morton's defended Kavanaugh's right to enjoy a meal, the leftists made phony reservations at Morton's locations nationwide.

Mealtime terror attacks are a new weapon in the arsenal of the leftist mobs, who will brook no opposition to their totalitarian ambitions. They have harassed and threatened conservative politicians and public officials with the encouragement of prominent leftist politicians.

Kick Him Out

Kavanaugh was eating at the Morton's in Washington, D.C., on Wednesday night when the unhinged "protesters" showed up outside.

But they also "called the manager to tell him to kick Kavanaugh out and later tweeted that the justice was forced to exit through the rear of the restaurant," [Politico reported](#).

A Twitter feed called ShutDownDC said "@mortons should be ashamed for welcoming a man who so clearly hates women."

Morton's told *Politico* that diners have a right to eat in peace.

"Honorable Supreme Court Justice Kavanaugh and all of our other patrons at the restaurant were unduly harassed by unruly protestors while eating dinner at our Morton's restaurant," the restaurant chain said:

Politics, regardless of your side or views, should not trample the freedom at play of the right to congregate and eat dinner. There is a time and place for everything. Disturbing the dinner of all of our customers was an act of selfishness and void of decency.

Totalitarian pro-abortion leftists do not agree, and want anyone who doesn't agree with them harassed ... or destroyed. And so they began another financial terror campaign against the restaurant.

Written by [R. Cort Kirkwood](#) on July 8, 2022

“Thousands of people are booking ‘fake reservations’ for Morton’s Steakhouse, after the steakhouse served Brett Kavanaugh & publicly berated pro-choice protestors,” leftist pillow company founder William LeGate tweeted.

Morton’s did not “publicly berate” the pro-abortion terrorists, but that little fib aside, he continued:

Morton’s Steakhouse DC is now “fully booked” for tonight ... they have dozens of other locations across the country which are rapidly being booked by pro-choice protestors

Insurrection Encouraged

Pro-abortion fanatics have been promoting insurrection, along with harassing and intimidating conservatives, since Kavanaugh was nominated.

In September 2018, an outfit called [Smash Racism](#) drove Senator Ted Cruz and his wife, Heidi, from a restaurant in Washington, D.C.

And aside from terrorizing the Cruzes and [promoting the lie](#) that Kavanaugh [is a rapist](#), anti-Kavanaugh insurrectionists occupied the Hart Senate Office Building and stormed the U.S. Supreme Court building.

Other leftists have adopted the same tactic. [Open borders communists harassed](#) Homeland Security Secretary Kirstjen Nielsen at a restaurant.

All along, top leftist politicians have encouraged the terror.

[Representative Waters has encouraged](#) the [harassment and intimidation](#) of Trump administration officials. She even [threatened riots](#) if a jury did not convict police officer Derek Chauvin for the “murder” of drug addict and career criminal George Floyd, [who died](#) of a fentanyl overdose while Chauvin restrained him.

Infuriated by the SCOTUS decision to overturn *Roe v. Wade*, Senator Elizabeth Warren and Representative Alexandria Ocasio-Cortez led insurrectionist protests that, with comments that the high court is now “illegitimate,” tacitly OK’d what Kavanaugh faced at Morton’s. Warren raved like a lunatic.

Another culprit is Senator Chuck Schumer.

“I want to tell you, Gorsuch, I want to tell you Kavanaugh, you have unleashed a whirlwind, and you will pay the price,” [he fumed](#) in March. “You won’t know what hit you if you go forward with these awful decisions.”

[Pro-abortion leftists have threatened](#) the justices with death, have attacked pro-lifers, and have protested outside the justices’ homes.

One leftists showed up at Kavanaugh’s house to assassinate him.
