Exposing Sick Roots of “Sex Ed” - Kinsey, CIA & Child Abuse

In this interview with The New American magazine’s Alex Newman, Liberty University Professor Dr. Judith Reisman drops a bombshell: The Central Intelligence Agency (CIA) was involved in supporting “research” by pervert Alfred Kinsey involving massive amounts of child abuse. This criminal pseudo-science, also sponsored by the Rockefeller foundations, was the pretext needed to begin changing American laws and culture on marriage, rape, family, and more, explains Reisman, who wrote several books on Kinsey and pornography. Kinsey’s research involving rape and sexual abuse of children also served as the foundation for sexualizing young students in public schools with grotesque “sex education” programs that groom children for sexual exploitation and abuse.
