Why are athletes and celebrities collapsing like never before? Perfectly healthy people are having strokes and heart attacks all the time since the vaccine rollout. The people who made billions on the jab, big pharma, media, hospitals, and government officials, all say it is a coincidence. Only a liberal could swallow that crap and like it. Watch the video for so much more information.

If a liberal tries to argue with you about the vaccine, just tell them their breath smells from all that crap they have been swallowing.
