## Feds 2014 Jackson Hole Confab

Expect the European Central Bank to take a page from the Federal Reserve in the near future. Bill Jasper reports specifically on what to look for, such as bond buying, quantitative easing, suppressing interest rates, and increasing inflation.

The video player interface includes a title bar with the text "Feds 2014 Jackson Hole Confab" and "President of German Association of Savings Banks". A play button is visible in the center of the video frame. The video content shows a man in a suit, identified as Georg Fahrenschon, with a quote overlaid: "We are tearing a hole in the pensions of savers. Over time these low rates will destroy the value of assets." The bottom of the player features a repeating "New American" logo.
