A Look Into the July 18th Issue of The New American!

Christian Gomez and Constance McDaniel discuss the latest issue of The New American. This issue focuses on the government's pressure for invading our cyber privacy. This topic of interest stems back to the tech giant Apple not granting government access to a person of interest's iPhone.

This issue also includes the bi-annual Freedom Index. Christian and Constance go over who some of the best Constitutionlists were and also who the worst offenders were.
