Congressman Thomas Massie (R-Ky.) discusses his various bills that would make President Trump's MAGA and D.O.G.E. goals permanent: abolishing the bureaucratic and unconstitutional federal Department of Education, auditing the Federal Reserve, and eliminating taxes on social security recipients. *The New American's* Christian Gomez also asks Representative Massie about sponsoring or co-sponsoring legislation to Get US Out! of the United Nations, abolishing the Federal Reserve, and his thoughts about tariffs as a substitute for the individual income taxes. Rep. Massie discusses his desire to repeal 1913 — repealing the Sixteenth Amendment (individual income tax), Seventeenth Amendment (direct election of U.S. senators), and repealing the Federal Reserve Act of 1913.
