

Dangers of 5G and Smart Meters, With MT Public Service Commissioner Pinocci

JEKYLL ISLAND — In this interview with The New American magazine Senior Editor Alex Newman at the Red Pill Expo, Montana Public Service Commissioner and RPE speaker Randy Pinocci speaker explains what is happening with the battle over smart meters, opting out, and the infamous 5G. Among other concerns, some of his constituents were having negative health effects related to smart meters, and so he is now working to make sure that this technology is optional and not mandatory. Pinocci also explained how anti-liberty extremists in Montana came after him. He urges everyone to run for office to help advance liberty.
