The horror unfolding in South Africa is a sneak-preview of what will be coming to America and the West if not stopped, warns Afrikaner exile Dr. Harry Booyens in this interview on Behind The Deep State with The New American magazine's Alex Newman. Dr. Booyens, who wrote the book "AmaBhulu: The Birth and Death of the Second America," traces the history of his own people, the Afrikaners, and South Africa more broadly. He exposes the subversive communist and Deep State forces that brought about a revolution in his country, and warns that the very same tactics are being deployed against America and the West.
