The horror of technocracy is on the verge of reaching its end game worldwide, and in some ways is even accelerating under the Trump administration, explained author and expert Patrick Wood in this interview on Behind The Deep State with The New American magazine's Alex Newman.

Wood, one of the world's top analysts focused on the issue, discusses his article on technocracy in the May Special Issue of The New American magazine. He also goes through his new book explaining the nature of technocratic economics, which will mean "you own nothing," he said.
