While the United Nations Agenda 21 plan for humanity in the 21st century is well known and available online, less understood are the occult origins of the scheme and its enormous role in education, explains researcher and writer Lisa Logan in this interview on Behind The Deep State with The New American magazine's Alex Newman. Logan, who found the explosive details while reading UN books and documents, uncovered incredible evidence that the UN's Agenda 21 was literally rooted in Eastern religious efforts to indoctrinate children into a new way of thinking. That is why Agenda 21 and related programs have targeted schooling and education so heavily.
