Unbeknownst to most, there is an “omniwar” raging all around them in every domain of human existence as a numerically tiny group of totalitarians seeks to end human freedom and self-government as we know it, warned longtime academic and author David Hughes in this interview on Behind The Deep State with The New American magazine Senior Editor Alex Newman.

Hughes, who has been exposing the Deep State and its schemes for years, said that humanity now has an incredible opportunity to stop the evildoers. Don’t miss this incredible analysis of what is really going on.
