In partnership with Deep State billionaires such as the Rockefeller dynasty and George Soros, the U.S. Agency for International Development was weaponizing American tax dollars to subvert Christianity, the Church, family values, and nations, explains The New American magazine's Alex Newman in this episode of Behind The Deep State. Every perversion or revolutionary movement imaginable appeared to benefit from this.

Exhibit A is the nation of Georgia, where Soros and USAID were seeking to hijack the Orthodox Church to subvert Christianity, family, and society. Joining the program to discuss in the second half is Georgian lawmaker and vice chair of Parliament's Foreign Affairs Committee Mariam Lashkhi. Among other explosive revelations, she blows the whistle on what has been going on. She said she hopes Trump will be able to root out the Deep State during his term.
