SD Farmers Rally to Defend Property Rights Against Carbon Capture Pipeline

Farmers and landowners in South Dakota meet in the Capitol Rotunda in Pierre from noon until 1:00 today for the “Property Rights Roundup.” They are petitioning the governor and state legislators to call a special session to pass measures protecting their valuable farmland from confiscation through eminent domain by for-profit carbon capture pipeline companies. The New American is livestreaming the event. You can also get more information and sign the petition at SDPropertyRights.com.
