Marly Hornik founded [United Sovereign Americans](#) (USA) after her team of volunteers in the New York Citizens Audit found massive irregularities in state voter rolls, discrepancies in the vote count, suspected illegal editing of vote records and indications of apparent algorithmic manipulation of the voter rolls.

“The Constitutional right of citizens to choose our representatives freely guarantees that our government upholds our will and serves by our consent,” notes the USA press kit. “Our life, liberty, and pursuit of happiness are secured by **the law**. Multiple laws regarding elections that have been enacted since 1923 include: the Help America Vote Act ([HAVA](#)) of 2002, The National Voter Registration Act ([NVRA](#)) of 1993, and the Federal Information Security Management Act ([FISMA](#)) of 2002 among others.”

Hornik says that when the [New York Citizens Audit](#) discovered the extent of apparent violations, she was inspired to initiate similar audits in other states. USA’s mission is to “have elections that follow the law, but holding election officials accountable for their actions.” Hornik vows to expose those who refuse to follow election laws and “if necessary, take them to court.”

[USA](#) is a 100% nationwide volunteer organization that includes PhDs, mathematicians, programmers, election experts and devoted Americans.
