Moms For America's Kimberly Fletcher Urges Involvement

The New American's Andrew Muller is on the ground covering the second annual Make Europe Great Again (MEGA) conference in Brussels on January 28-29. In this video, Muller interviews Kimberly Fletcher, the founder and president of Moms For America. Fletcher explains that we are all suffering from the same things — both in Europe and America — and that we can learn from each other. She also says that we must get involved in our own countries, and not rely on one man to solve all the problems.
