The leftist weaponization of law enforcement and the justice system is still ongoing despite President Trump's efforts to rein it in, warned his longtime attorney Christian Bobb in this interview with The New American magazine's Alex Newman on Conversations That Matter.

Bobb, who is herself still being criminally prosecuted by lawless officials in Arizona, called for strong action to hold those responsible accountable for their actions. She is confident that Trump will be able to reverse the trend and get America back on the right path.

Bobb was Trump's attorney at Mar-a-Lago when the FBI raided his home. Her new book [Defiant: Inside the Mar-a-Lago Raid and the Left's Ongoing Lawfare](#) gives the definitive account of one of the most significant political scandals in U.S. history.
