Minnesota is the “hub of the wheel” for fraudulent activity conducted by illegal immigrants, as nearly \$20 billion has been embezzled through daycare, rideshare, and healthcare schemes, explains MyPillow CEO and gubernatorial candidate Mike Lindell to Alex Newman on Conversations That Matter.

But the fraud is not limited to Minneapolis or Saint Paul—it is everywhere across the United States, and it must be exposed and stopped.

As Minnesota continues to be the nucleus for mass migration, the implementation of Sharia Law, and anti-ICE violent protests, law and order is needed, and Mike Lindell is hoping to be the champion to deliver it.

In this explosive interview, Lindell shares his vision for the North Star State, reviews efforts to secure elections, and explains how his faith is central to his political goals.
